

Insurance Requirements for Deliveries

At least 48 hours (2 full business days) prior to any delivery, homeowners are required to supply Management with a **Certificate of Insurance** for general liability and property damage from the delivery company in the amount of \$1,000,000. Your condominium association, its Board, and Managing Agent must be listed as additional insured.

Certificates of insurance can be sent to Eric Ruby with Advantage Management via email eruby@advantage-management.com or fax at (312) 475-9022.
